The surprise at Rock Creek is the stunning topography, with some of Baldwin County's highest elevations overlooking freshwater wetlands and the Rock Creek basin. The tall pines and hardwoods that line nearly every fairway only enhance the visual effect.

Located off the eastern shore of Mobile Bay, this 18-hole, Earl Stone design, recently honored by a 4 1/2 star Golf Digest rating, is enjoyable, forgiving and captivating.

Stone's 7,000-yard design challenges both the amateur and the professional. It's a true test of golf where strategy and accuracy are the name of the game.

A tradition at Honours Golf facilities, Rock Creek features chilled apples on the 1st and 10th tees and iced-cold towels delivered to you on sweltering days.

Centerpiece of the master-planned Rock Creek residential community, this Earl Stone championship golf course is one that the serious golfer won't want to miss. Rock Creek also features full clubhouse amenities, including a complete lunch menu and group outing banquet facilities, as well as certified golf instruction on a hilltop practice tee that must be seen to be appreciated.
