

Soldiers Creek Golf Club at the Woerner Preserve opened July 2001, and is the newest signature, 18-hole, championship golf course on the spectacular Gulf Coast. Scott Clark designed this masterpiece so that it would be enjoyable and challenging for golfers of all abilities. Situated in a natural “preserved” setting, you will enjoy spacious rolling fairways, surrounded by timbers, wetlands, a multitude of wild-life and the headwaters of Soldiers Creek. Our state-of-the-art, color GPS system helps golfers make club selection with ease, throughout their round.

Unique to the course and the Coastal Alabama area is our ultra dwarf grass (tif-eagle) greens. The greens are fast and they run true. Rounding out the facility is a 10,000 square foot practice green and full service driving range. Soldiers Creek is a lush, green, meticulously manicured course that is owned and operated by the Woerner family, a world wide leader in sports turf (Woerner provides turf for numerous professional football stadiums and elite golf facilities throughout the US and abroad).

Customer satisfaction is our goal. We have a full service food and beverage operation and pro shop. Our friendly staff includes golf professionals, available to assist you in all areas of your golf game. We strive to make your golf experience the best on the Gulf Coast!
